JOOSTENBERG ESTATE "FAIRHEAD" 2018

A richly textured, somewhat exotic white wine. Includes all the white varieties planted on Joostenberg Estate and represents a "snapshot" of the vintage and property. Named after former matriarch at Joostenberg and gardener extraordinaire, Gillian (née Fairhead) Myburgh. Her passion for gardening and devotion to all plants, indigenous and exotic, served as an inspiration when making this wine.

VINEYARDS

Made from organically grown vineyards on Joostenberg Estate in the southwestern corner of the Paarl region, South Africa. Climate is Mediterranean and soils are a combination of decomposed granite and clay shales.

Only estate-grown vineyards were used.

- 18 year old Roussanne planted in clay rich soil.
- 29 year old, dry-farmed, Chenin Blanc planted in clay-rich soil.
- 18 year old Viognier vineyard, planted in rocky, granitic soil.

VINIFICATION

Hand-picked and whole-bunch pressed. Spontaneous fermentation in old barrels (23%) and concrete "eggs" (78%). Maturation "sur lies" for 10 months. Full malolactic fermentation occurred. The wine was subjected to minimal stabilization and filtration.

TASTING NOTES

Medium-bodied, luscious white wine. Aromas and flavours of honeysuckle, apple crumble and honey. Will develop even more complexity over the next 2-5 years.
