JOOSTENBERG BISTRO WINE LIST

Welcome!

At Joostenberg Bistro we are proud to serve our own delicious wines. The boutique winery and vineyards at Joostenberg Wine Estate are situated diagonally across the N1 on the old family farm. Managed by Tyrrel Myburgh and his team, the focus is on producing distinctive, excellent quality wines that are expressive of the terroir. Organic, natural methods are used in both the farming of the vineyards and the wine making processes with environmental accountability in mind. Full international organic certification was received in 2012. You will find the range of estate wines on our list, served by glass, carafe and bottle.

Our own wines keep good company on the list with a selected few from our neighbours and friends, as well as some of chef Christophe's favourite French imports.

Make your choice to match a dish from our seasonal menu.
